

North American Transportation Solutions

Delivering confidence to your supply chain

Confidence Delivered.®

We understand how important service quality and reliability are to your business and that our success is dependent on your success. Every pallet is a promise and every shipment makes a statement. That's why we strive to not only deliver your shipments on time and intact, but to deliver confidence with every shipment, every day.

Count on YRC Freight to deliver confidence to your supply chains – and to your customers.

The Original LTL Experts

We began building the first national less-than-truckload (LTL) network 85 years ago. Today, YRC Freight has comprehensive coverage throughout North America with a broad portfolio of expedited and specialized solutions to deliver flexibility and reliability to your supply chain.

No matter how simple or complex your shipping needs, YRC Freight has the solutions. Our expert sales staff, Customer Service Centers, online services at yrcfreight.com and my.yrcfreight.com, and apps for your mobile devices are always ready to address your needs, providing rate quotes, arranging pickups and deliveries, tracking shipments, answering questions and helping you manage all aspects of your transportation activities.

Comprehensive North American LTL Network

YRC Freight is the leader in North American LTL shipping with a comprehensive network, a broad portfolio of standard, expedited and specialized services and cross-border expertise.

- Comprehensive network of service centers strategically aligned to connect your supply chains throughout North America.
- Superior cross-border services to and from Canada and Mexico, and intra-Canada capabilities.
- YRC Freight is the only LTL transportation provider with representatives on site at all main border-crossing points in North America to expedite cross-border customs clearance.
- Seamless off-shore service to Alaska, Hawaii, Puerto Rico, U.S. Virgin Islands and Guam.

Flexible, Reliable Solutions

Our strong team is focused on tailoring solutions to your business needs and not the other way around. YRC Freight offers one-stop access to a broad portfolio of services.

- Guaranteed and expedited deliveries as fast as next day and precise as one-hour windows by ground or air.
- Specialized services for volume shipments, tradeshow exhibits, cold-sensitive products, high-value goods, and product returns.
- Customized solutions for special projects.
