

## **Expedited and Guaranteed Services**

Delivering confidence with speed and reliability

# *Time-Critical*<sup>TM</sup>

*Any Need. Any Speed. Guaranteed.*

## Capabilities to meet your business and shipment needs.

You want your supply chain to deliver operational efficiencies and the right customer experience. Our shipping solutions are designed to meet any business need:

- Support just-in-time inventory strategies
- Facilitate product rollouts and launches
- Meet construction site delivery requirements
- Ensure port arrivals to meet sailing schedules

# Any Need.

## Unique shipments require specialized equipment

- Air and ground modes coordinated to meet the most demanding timeline
- TSA-approved Certified Cargo Screening Facilities and Indirect Air Carrier (IAC) status maintain shipment integrity and avoid delays
- YRC Freight uses a variety of specialized equipment, everything from air charters to cargo vans and dedicated trailers to liftgate trailers
- Special handling from the time freight is scheduled to its final delivery

# Any Speed.

## The speed to meet your most critical deadlines

Not early. Not late. You want your shipment to arrive right on time, even if that means hitting a 1-hour window. YRC Freight delivers.

# Guaranteed.

## Expedited, guaranteed services that deliver confidence

More than anything, you want the confidence of knowing that your critical shipments will arrive on time and intact. That's why every Time-Critical shipment comes with:
